SYSTIMAX® GigaSPEED® X10D Universal Modular Patch Panel

SYSTIMAX® GigaSPEED® X10D Component

The SYSTIMAX® GigaSPEED® X10D Universal Modular Patch (UMP) panel is a 19-inch rack mounted panel that accepts up to 24 GigaSPEED X10D MGS500 information outlets for patching and interconnection in the Telecommunications closet or equipment room.

This modular concept allows termination of outlets in the field and the ability to integrate M-Series multimedia outlets and/or InstaPATCH™ pre-terminated fiber modules in the same footprint. This capability is ideal for data center applications. It consists of a rack mounted base unit, three slide-in modules with interchangeable front bezels, cable management brackets and a flip-down removable front cover for close-out.

When installed using 8-port bezels and up to 24 MGS500 information outlets, GigaSPEED X10D GS10E modular patch cords and GigaSPEED X10D 91 series cable, the result is unparalleled end-to-end channel performance.

Features and Benefits

- Electrical performance guaranteed to meet or exceed the channel specifications of TIA 568-B.2-1 Category 6, ISO/IEC 11801 Class E, and the current TIA "Augmented Category 6" and proposed ISO/IEC "Class E Ed. 2.1" up to 500 MHz when used with MGS500 connectors as part of a GigaSPEED X10D Channel in registered SYSTIMAX installations
- Accommodates up to 24 MGS500 information outlets for easy termination of 4-pair copper cables in addition to coaxial outlets, S-video and RCA adapters
- 1U design maximizes rack space
- Integrated cable management enables enhanced cable routing
- Modularity will support UTP and fiber terminations
- Three methods of labeling are provided: on the inside of the front cover, on the rear of the base, and on the front of each of the bezels

Physical Specifications

Width	19 inches (48.3 cm)
Height	1.72 inches (4.4 cm)
Depth	4.17 inches (10.6 cm) not including cord management and cover

Ordering Information

Description	Material ID
SYSTIMAX UMP 24-Port Panel Kit	760026682
SYSTIMAX UMP 24-Port Panel w/o cover and bracket	760034710
SYSTIMAX UMP 8-Port Bezel Kit (8-port bezel)	760026716
SYSTIMAX UMP Blank Panel Kit (bezel kits not included)	760026740
